

Permission Slip!

I, _____, give permission for my son/daughter, _____ to watch movies rated PG-13.

A movie will be given a PG-13 rating because of these restrictions:

- The theme of a movie itself (a film about death, or drug use, or the mob, or a bunny ranch) won't cause a film to be rated above PG-13
- Any drug/alcohol/smoking use
- Can have brief nudity (if it is in a non-sexual context)
- Violence without gore
- Reckless behavior
- Mild profanity
- Frightening or intense scenes
